**MESSAGE FROM  
OUR PRESIDENT**

*Dear Members,*

*Springtime is once again upon us and as many of you prepare your gardens and maybe some spring cleaning as well; at the Famee Furlane, we are also preparing many exciting events for you, our members.*

*'Simpri in famèe ator la taule' is the theme of our celebration of the 90<sup>th</sup> Anniversary of the Famee Furlane on May 28 providing an opportunity to celebrate the long and rich history and culture of our Club. We hope to see many members to share in and reminisce the many memories of the past 90 years with an eye to the future.*

*The driving force of that future will always be you: the members. Whether as volunteers on event committees, on the board of directors or in other manners, the assistance and support of the members of any association is vital to its existence. Please keep that in mind the FFT is always looking for volunteers in several capacities. On that note, a reminder that elections will be taking place at the AGM in June.*

*Hoping to see many members and family at upcoming events and the 90<sup>th</sup> Anniversary celebration. I take this opportunity to thank you for the loyal support and on behalf of the board of directors wish you a wonderful Easter season.*

*Buine Pasche  
Mandi!*

*Renzo Rigutto  
President*

## CULTURE: LA BEFANA VISITS THE FFT

On January 6, 2023, the Famèe Furlane Toronto joined with the Alpini of Vaughan and families to celebrate the feast of the Epiphany with a fire and blessing. After some home-made sausage, pan e formai and a little wine, our very own Befana came with treats for the children! It was a wonderful celebration that combined two ancient traditions from our beloved Friuli - the lighting of the Epiphany fire and blessings for a new year of health and prosperity for all. Epiphany fire called “la foghera” or “pignarul” or “falo” depending on where in Friuli you come from, is meaningful for adults and children. This simple gathering was all the more wonderful because it was

simple and pot-luck. It felt like it could be the beginning of a new tradition for our new revitalized Famèe Furlane.

## GRUPO ETA D'ORO

Dopo 4 mesi di fatica per trovare un posto di giocare le carte, la Famee Furlane finalmente a aperto la loro “Saletta” e possiamo trovrsi ogni giovedì. Qui si vede I giocatori che sono contenti di non sentire ‘Bingo!’ ogni venti minuti. Grazie ai volontari che hanno aiutato ad aprire la Saletta.

## BUON COMPLEANNO LUIGI!

Il Gruppo Eta D'oro ha celebrato il Compleanno del nostro ex-presidente il Signore Luigi Tedesco in Marzo. Qui si vede Luigi alla Famee Furlane con I suoi amici per il 101mo giorno di nascita. Auguri Luigi!

## FAMEE FURLANE WOMEN'S AUXILLARY INTERNATIONAL WOMEN'S DAY EVENT

Despite the snow-delayed start, The Famee Furlane Women's Auxiliary, International Women's Day event on March 4, 2023, was enjoyed by all. This year's event was held at THE FAMOUS PEOPLE PLAYERS THEATRE.

In attendance were over 125 guests, including four members of the Famee Furlane Board of Directors. Guests enjoyed a delicious meal followed by a lively and entertaining, black light theatre performance called, ROCK THIS CITY, put on by the Famous People Players Performers.

Thanks to the many donated prizes and sponsorship, a raffle was also held. All monies raised from the raffle, as well as the net proceeds, were in support of Diane Dupuy's new initiative, "The Stars of Tomorrow", a unique high school program for students who are looking for a different way to learn.

After all the "Thank You's" were acknowledged, Ms. Dupuy graciously thanked The Famee Furlane Women's Auxiliary, by presenting them with a beautiful plaque in recognition of their various contributions to her causes. Congratulations to the Famee Furlane Women's Auxiliary on a successful evening.

## DOLOMITE SKI CLUB – TREMBLANT 2023

Another wildly successful Dolomite Ski trip to Mt. Tremblant, Quebec in February 2023. The committee was overjoyed with the response totalling 51 winter enthusiasts. Even more good news was the number of newcomers. They had so much fun that they have already signed up for 2024! Everyone had an amazing time; the weather was ideal and so were the snow conditions. Some even braved the downpour that we got on Friday.

Our traditional "pot-luck" dinner on Friday night was filled with delicious foods brought in by all the participants. It is a "must-attend" dinner every year! The Dolomite Ski Club has been going to Tremblant for over 45 years now with no signs of stopping.

There is an open invitation to anyone that enjoys winter sports not just skiing and snowboarding. We had several participants who took part in E-Fat-Bike riding, and cross-country skiing and snowshoeing.

Anyone interested to join our little group, please contact me by email at [medunomara@gmail.com](mailto:medunomara@gmail.com)

## A NEW REALITY

I ran to answer the ringing phone only to hear “They painted it black?! Why?!” Painting the building exterior black was just the start of a long list of changes to our more than familiar “home” environment. Some of you may have noticed that we are living surrounded by the construction of new walls, while others may be demolished. Primont has begun the process of creating a showroom/design centre, resulting in our need to modify our customary and familiar use of what is no longer “our building” but rather our “home” for now. Office administrator Marylane Marchese is now happily ensconced in her new “cozy” office and is adjusting to the unfamiliar “construction” noises. A new entry door has been created for members with access directly into the Saletta, as the main lobby is undergoing major changes. While the use of the Friuli Hall is no longer available, both the Canada Room and the Saletta provide us with ample space to conduct our day-to-day activities including Eta D’oro and Women’s Auxiliary gatherings as well as our Members’ Meetings and other member activities.

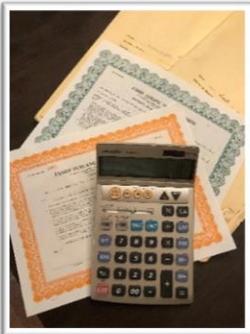

Our home is undergoing dramatic changes, but that is a step forward into its future as we all learn to acclimatize and adjust to our new reality. No doubt some of these changes are resulting in a more collaborative unity amongst members – as well as a new topic for discussion!

We will continue our residency at 7065 Islington Avenue through to June of 2024, affording us the opportunity to source a new “bridge” to more a more permanent home down the road. In the meantime, as the building as we knew it undergoes this transformation, what will not be changing are core values of our membership. Let’s view this journey with a sense of humor – much like a camping excursion - prepared to “rough it” while enjoying the experience, except the bugs of course!

The only constant in life is change!

## FULFILLING AN OBLIGATION

At this point many of you may have received your package setting out how a refund for the orange certificates or green bonds can be applied for. All the criteria set out in the package follow instructions provided by our solicitors. If you have received your package and have any queries, please do not hesitate to reach out. We are using our best efforts to ensure all bond and certificate holders are provided with any needed guidance.

However, try as we may, there are also a number of holders whose current contact details are not known to us, and therefore we are unable to reach out. Despite time-consuming efforts, it has become most difficult to confirm the currency of some addresses. One thing that was quickly learned is the lack of Canada411 reliability! As you can also imagine, sadly a number of holders are no longer, with the legacy now left with beneficiaries who are unknown to us. As we continue with the monumental task of using our best efforts to reach out to everyone, if you are aware of any bond or certificate holder, who has not been contacted, please encourage them to reach out to the Famee Furlane directly.

We would be most happy to shrink the “unknown” list to an absolute minimum or obliterate it in its entirety.

On a lighter note, we are happy to report payments have now finally started. It has been and continues to be a long journey and we would like to extend our heartfelt appreciation for your patience and understanding throughout this process.

*Ivana Pontisso*

## WELCOME BACK BALARINS

I scarpets á son pronts a balâ. We are excited to announce the return of our talented Balarins. Classes have now begun and we are preparing a real treat for the Famee Furlane's 90th Celebration. What better way to celebrate this incredible milestone than to showcase the beautiful costumes, music and dances of our Friulian culture.

The Friulian culture is one to be truly proud of and needs to be preserved and passed down from our ancestors. Over the years our Balarins have blessed our gatherings and celebrations with not only beautiful traditional folk dances, but also with their beautiful voices and talented acting skills. The Balarins' focus is preserving that culture and sharing that with the younger generations.

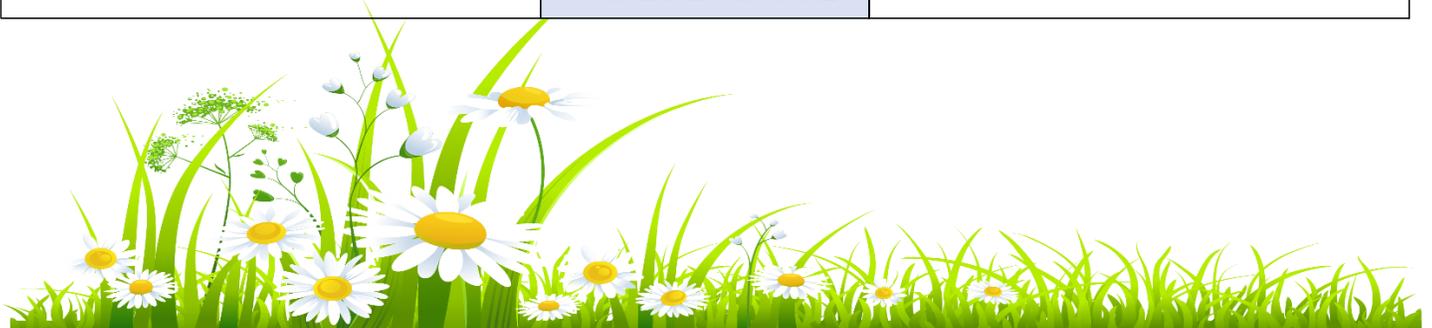

We are always welcoming new and past Balarins to join our group. Please email either Mary or Melissa Lovisa at: [balarinsfameefurlane@gmail.com](mailto:balarinsfameefurlane@gmail.com). This is a wonderful opportunity to showcase our beautiful heritage as well as the talents of your beautiful children.

### I CROSTUI DI MARIA – MARIA DEOTTO'S CROSTOLI

Culture, customs and cooking all go hand in hand to reveal and often unite a people.

For Furlans, crostoli and fritole go hand in hand during Carneval, the week before Lent or Quaresime as we call it. Every family had it's own recipe for both and some women were known for the quality of those traditional treats. My zia Maria was renowned for hers. In fact, she made them for years in the Famèe Furlane kitchen where she worked for over 15 years. But she didn't have just one recipe, she had (and tried) many. Some of them made it into her recipe book, each slightly different but each are worthy, because she took the time to put them in her little recipe book. A real Furlana, she was a Santarossa by birth and so beloved by so many - her late husband, her children, her siblings, nieces and nephews and her countless cousins, almost all of whom were active members of the Famèe. And she loved cooking for them, for us, always so generous. It brought her, and all of us, so much joy.

When my beautiful zia Maria left us on January 18, 2023, it was fitting that by her coffin her children erected a memorial display included the things she loved - playing cards, a handiwork sample, her rolling pin, the crostoli cutter and her recipe book with no less than five crostoli recipes. Her crostoli will forever be the best.

## CJANTON FURLANE FEVELANT PAR FURLAN

Une volte su la puarte dal Municipi di Cjampfuarmit, al jere scrit “Furlans, fevelaît par Furlan”. Daspò, par vie che no ducj i impiegâz à jerin furlans, à an scugnût gjavâ chel cartel. ## LIFE AT THE TERRACE

The Tenants, Board and Staff of Friuli Terrace (FT) are anxious for the winter and the snow to disappear so that they can once again participate in outdoor activities. As the snow piles up outside, the vision of planting their spring gardens dances merrily in their dreams. Soon the seedlings will be started indoors ready for the day they can be brought to their place in the outdoor gardens. The tenants are proud of their gardens, and we are looking forward to the time when the white of the snow and the grey of the ground are replaced by flowers and greenery. As Audrey Hepburn said, "To plant a garden is to believe in tomorrow."

As part of the 2022-year end celebrations, the Board of Friuli Benevolent treated the tenants to an afternoon of music led by their Choir Director Antonella. Most of the tenants were willing participants at this event. As the Board handed out coffee and Tim-Bits, Antonella played music and those who were interested sang along. This event gave the tenants an opportunity to socialize and to enjoy the beautiful "Presepio" in the lobby along with the other Christmas Decorations. As a parting gift from this event, the Board handed out Panettone to each of the tenants.

The beginning of 2023 has been quiet. The CHATs Activity Director has returned to Friuli Terrace to continue her duties of planning and providing activities for the tenants. As Friuli Terrace has had an influx of new tenants in the past couple of years, CHATS conducted a survey to determine what kinds of activities would be of interest to new and existing tenants. Participation in these programs is important for the well-being of the tenants.

## GOOD-BYE LORA!

Some sad news at Friuli Terrace was the resignation of our onsite Property Manager Lora Volpini. Although Lora enjoyed her position at Friuli Terrace, she was presented with an opportunity which was just too good to pass up. Lora's work ethic and her connection to the tenants will leave a void at FT. Her diligence helped to reduce the number of vacant units which were a result of turnover during the pandemic. She managed all emergencies with swiftness and her reports to the Board made it easier to reach decisions in a timely manner. She was present at all functions and even set up some impromptu functions on her own initiative like last fall's Halloween gathering. She was always ready to roll up her sleeves and lend a hand and her lovely smile and caring manner with the tenants will be missed. Best of luck to Lora in her new endeavors. APM Property Management is actively seeking a replacement for Lora. A farewell event was held on February 27 so that the tenants could have an opportunity to say goodbye and Lora was presented with flowers.

Friuli Benevolent applied for funding for some major projects to the building and we were happy to be approved for funding to replace the main building roof and the bocce area roofing. Another major repair that FT will undertake is the repair and replacement of the interlocking brick and sidewalk in the front of the building and in the back garden. Both projects are repairing areas which are part of the original construction in 1989. As the building ages, repairs will become more costly. The Board and APM Management goal is to ensure that our tenants are safe and comfortable and ensure that they have a home for many more years to come.

Happy New Year and Happy Beginning of Spring on Behalf of the Board and Staff at Friuli Terrace! Mandi!

## **A MESSAGE FROM OUR CHAIR**

*Dear Friends,*

*As spring approaches, we say goodbye to a winter filled with short days and a few major snowstorms! The end of February brought a happy milestone to VLG with the 105<sup>th</sup> birthday of Vittoria Spatafora. On behalf of the Board, I would like to wish Vittoria a happy and joyous 106<sup>th</sup> year to be shared with her nieces, nephews, and friends.*

*Sharing your time with those you love can be one of the most fulfilling and rewarding aspects of one's life. Another rewarding aspect is volunteerism. This spring, VLG is in need of volunteers as the impact of COVID-19 affected many charitable organizations in their ability to maintain and grow their volunteer base. In this regard, I would like to emphasize our website's "Become a Volunteer" section (<http://villagambin.com/become-a-volunteer/>). In this section, you will find an explanation as to why volunteering is such an important part of making VLG a better place for our residence, while at the same time, providing an opportunity for volunteers to enrich their lives. Under the heading "Volunteer Opportunities", there are a number of descriptions that may be right for you. For example, if you are someone that enjoys the company of others, the residents are in particular need of those who can provide "Friendly Visiting". This is a role that requires the volunteer to spend time with a resident in a friendly, supportive environment. We all know how it felt to be isolated from family and friends during COVID-19. This was truly hard and often devastating on the elderly population. As we look beyond COVID-19, we have all experienced a sense of relief to be reunited with family and friends. Although our residents are now receiving greater social interaction with their families, it is important that they also receive that interaction with the warm smile of a friendly visitor/volunteer.*

*Another area in which volunteers are needed is in our Café Bar. If you've ever worked as a barista, or as a server, you know how important a little coffee indulgence is throughout the day. Our residents look forward to their espresso breaks so if you love crafting the perfect cappuccino, you could have a rewarding experience as a VLG Café Bar attendant. If you are interested in volunteering or know anyone that is, contact John Nardi, the new Manager of Recreation and Volunteer Services at 905-856-3939 or email [j.nardi@villagambin.com](mailto:j.nardi@villagambin.com).*

*My heartfelt thanks to all of our volunteers throughout the years who have taken selfless time from their personal lives to help make VLG a better place for the residents. Their efforts are truly inspiring.*

*I would also like to thank our volunteer Board of Directors. Like all volunteers, they do not receive any remuneration for their hard work and collaborative efforts in making VLG “Best-in-Class”.*

*Finally, the Better Beds Fundraising Campaign continues. We are hopeful that the remaining 14 beds of the original 168 beds needed will be purchased with this year’s fundraising efforts. These beds have greatly impacted the lives of those who use them in a positive way and have allowed the home to attain one of the lowest fall rates in Ontario. We once again thank all of those who have generously contributed to our Better Beds Fundraising Campaign since its inception.*

*Wishing you and your families a safe and Happy Easter.*

## HERITAGE PROGRAMS

Many programs are offered at VLG to continue the heritage and cultural connection to our residents’ roots. Residents have many opportunities to reminisce about their past and share stories and memories about their culture. The Recreation Team at VLG works hard to ensure that these opportunities are readily available to our residents. Heritage programs such as the Bacala dinner, a visit from La Befana, homemade tomato sauce making, homemade pasta lunch, as well as pizza, sausage and wine making, give our residents a chance to explore new and old skills, while recollecting and sharing experiences with each other.

### OUR TRADITIONAL SAUSAGE MAKING

### A VISIT FROM LA BEFANA

## FEBRUARY IS THERAPEUTIC RECREATION MONTH

At Villa Leonardo Gambin we are grateful for our Recreation Department. These individuals work hard to ensure that our residents are supported and engaged in meaningful activities. This year's theme was "Let your passions flow". A beautiful board was designed to show our wonderful team. The Recreation team was able to share what makes them passionate about Therapeutic Recreation and have all team members, families and visitors participate in fun crosswords and activities throughout the month.

The purpose of Therapeutic Recreation is to enable all our residents to achieve quality of life and optimal health through meaningful participation in recreation and leisure activities.

### **VOLUNTEERS NEEDED!**

### RESIDENT SPOTLIGHT

#### Vittoria Spatafora 105<sup>th</sup> Birthday Celebration!

On February 28<sup>th</sup>, Vittoria was surrounded by her friends and family in celebrating the incredible milestone of her 105<sup>th</sup> birthday.

Vittoria was born on February 24<sup>th</sup>, 1918, in Castel Termini, Sicily where she was one of 10 children.

Vittoria met her beloved husband Carlo through his sister who was a neighbor. They married in 1960 here in Canada when she was 42 years old. The couple never had children, however, Vittoria has four nieces and nephews whom she adores.

Vittoria and Carlo settled down in Brampton where Carlo made a living growing flowers to sell to local florists. Vittoria was a housewife and would often travel back to Italy to visit her mother. Vittoria and Carlo were married for 21 beautiful years before he passed away.

Vittoria has been a resident of Villa Leonardo Gambin for the past eight years.
