## FAMEE FURLANE COVID-19 PROTOCOLS IN EFFECT

**EFFECTIVE  
OCTOBER 10, 2021**

*As you are aware, the FFT is committed to ensuring all government protocols be strictly adhered to by all those entering our facilities. Proof of double vaccination has been a requirement since Government mandated. Accommodation for the unvaccinated has been made via Zoom Members Meetings.*

*With that said however, your board has been closely following changes to regulations and are pleased to inform that effective immediately, for those who do not have evidence of double vaccines, the FFT will be accepting evidence of a negative Covid 19 test result dated within forty-eight (48) hours of access to our facility or event.*

**(SUBJECT TO CHANGE  
DUE TO GOVERNMENT  
REGULATIONS)**

## FAMEE BRIEFS

### NEW DATE: GENERAL MEMBER'S MEETING – OCT. 26, 2021

An in person General Member's Meeting will be held in the Friuli Hall on **Tuesday, October 26, 2021, at 7:30pm.** In an effort to accommodate members who cannot attend due to the new regulations, the meeting will also be available via Zoom, giving members choice of attendance. If you wish to participate via Zoom, please register online at [www.fameefurlane.com](http://www.fameefurlane.com) and click "Zoom Meeting Registration".

We have improved our hybrid meeting format to allow members who cannot attend in person, to attend remotely. The Board believes that a strong membership begins with sharing information and participation during the general meetings - we are continually thinking of ways to enhance the member experience in this regard. Although our 1<sup>st</sup> attempt at a hybrid meeting was full of technical issues, we have modified our available resources to a point that, although not perfect, will allow remote members to participate and contribute.

### UPDATE ON THE SPACE AT THE FRIULI TERRACES

Given the number of queries and concerns brought up at the September Member's Meeting to provide some clarity with regard to member use of the basement facilities at the Terraces, we would like to advise that the ongoing use of basement area of the Terraces is available to FFT members. However due to several issues, including prolonged non-use and the inability to provide ongoing maintenance, the current condition of the bocce courts and the adjacent lounge area are currently not in a condition that would allow for proper use. In addition, further water damage has made matters much worse. Furthermore, with the existing Covid-19 concerns, Friuli Terraces management has expressed concerns for the safety of their residents. We are currently working with the Friuli Benevolent Board, at looking into how best to resolve these issues. We hope we will be better able to provide clearer direction at our upcoming October Member's Meeting.

### MEMBERSHIP

A year and a half has passed and due to Covid we were unable to gather in person. We are trying hard to plan events, big or small, so that we may spend time with our fellow members. Without support of our members, we will not be able to start a "NEW" Famee. With that said, you will be receiving your membership renewal package sometime next month and we hope that you will continue to be part of what was started many years ago and will continue to do so for many more years to come. Please encourage any of your Furlan friends who are not members to join our wonderful club and support the heritage they were born into and make their ancestors proud.
