MARCH'S WALK INTO THE PAST...

Did you know?

Sports has always been an important component of life at the Famee Furlane Toronto. Throughout its long history, with the initiative and commitment of volunteers, sporting groups like Bocce, Trap, Bowling, Soccer, Tennis, Skiing and Golf were given life and became thriving components of the Famee Furlane Toronto. With the completion of its Sports Centre in 1989 the Famee Furlane now also had a swimming pool, two squash courts, an exercise room, a sauna, whirlpool and six bocce courts!

Enthusiasts were able to either learn a new skill or hone an existing. Friends were made and friendly competition exciting. Born in 1970, the Famee Furlane Annual Golf Tournament became an institution. Friuli FC was competing in the then Etobicoke North Division Soccer League. The Dolomite Ski Group had the pleasure of meeting Prime Minister Pierre Elliott Trudeau on one of its many excursions to Mt. Tremblant. The ever-popular Bocce Tournaments were flourishing.

The inevitable decline in sport enthusiasm does not diminish the valuable contribution sports has made to our 90 year history.
