#### APRIL'S WALK INTO THE PAST...

Whether intentional or by chance, the late 1980's to the mid 1990's can be referred to as the decade devoted to the raising of the Famèe Furlane Toronto profile.

Interspersed throughout the decade were visits by such notables as much loved five-time Olympic gold medalist skier from Carnia, Manuela Di Centa and the Udine based, Italian precision aerobatic team, Frecce Tricolori.

Settimana Friiulana in Canada showcased Furlan cuisine with Aldo Morassutti, chef at Da Toni, Gradiscutta, followed by exhibitions of traditional Furlan chairs and photography, ending with the celebration of the Ducato dei Vini Friulani.

We welcomed other prestigious guests including Judge Antonio Di Pietro, famous for his prosecution of cases that led to uncovering massive corruption in the Italian political system and Cardinal Alfonso Trujillo, when we hosted the Vaticansponsored summit on active aging.

The Mostra della Grappa offered guests the opportunity to enjoy tastings from six Furlan cantine and the International Trade and Commerce Exhibition hosted 23 merchants from Friuli desiring to showcase their products and services. This exhibition was the first international trade show of its kind.

Sponsored conferences included one based on the Furlan and Italian contribution to Canada, as well one on Friuli as a region "within Canada".

With guests and activities in a variety of genres, cultivating our culture and expanding our horizons seems best to describe this decade overall.

#### **FORUM SUBMISSIONS**

To help celebrate our 90th anniversary, we are encouraging members to share a special personal memory of good times had at our beloved Famee Furlane Toronto. If you prefer, a favorite family recipe is also most welcome. All submissions can be sent directly to <a href="mailto:reception@fameefurlane.com">reception@fameefurlane.com</a> to the attention of Ivana Pontisso. The material deadline date for the summer edition of the Forum is **June 17, 2022**. Don't forget pictures - they will bring your memory or recipe to life! The Forum is your newsletter and membership contributions are valued.
